FACULTY POSITIONS - VISITING ASSISTANT PROFESSOR
UNIVERSITY OF CALIFORNIA, SANTA BARBARA
DEPARTMENT OF MATHEMATICS

VISITING POSITIONS: One or more special one-year visiting assistant professorships may be available, with possibility of renewal for additional years, up to three years in total. These positions carry a teaching load of 4.5 one-quarter courses per year. Excellence in research, potential for interaction with faculty at UC Santa Barbara and evidence of good teaching are required. Appointments to be effective July 1, 2018

To apply for this position(s), applicants must possess a Ph.D. in Mathematics or a closely related field by September 2018. Applicants must submit curriculum vitae, statement of research, statement of teaching philosophy, and the American Mathematical Society cover sheet (available online at http://www.ams.org), and arrange for four letters of reference to be sent (at least one of which is directed towards teaching).

Materials should be submitted electronically via: https://www.mathjobs.org/jobs/jobs/10308 . Applications received on or before December 01, 2017 will be given full consideration. Thereafter, the position will remain open until filled. For questions or additional information, please email, recruitment@math.ucsb.edu

The department is especially interested in candidates who can contribute to the diversity & excellence of the academic community through teaching and service.

The University of California is an Equal Opportunity/Affirmative Action Employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.
