

## Suggested Plan of Study BS Mathematical Sciences

|                    | Fall                      | Winter                      | Spring                             | Summer? |
|--------------------|---------------------------|-----------------------------|------------------------------------|---------|
| <b>Frosh year:</b> | Math 3A                   | Math 3B<br>CMPSC*           | Math 4A<br>Physics 1, 6A or 21     |         |
| <b>Soph. year:</b> | Math 4B<br>Math 6A        | Math 6B<br>Math 8**         | Math 108A***<br>Math 117           |         |
| <b>Jr. year:</b>   | Math 104A<br>Math 108B*** | Math 104B<br>M 119A or 147A | 104C or UD elective<br>UD elective |         |
| <b>Sr. year:</b>   | Math 118A<br>UD elective  | Math 118B<br>122A           | 118C or UD elective                |         |

\*Computer Science 8 or 16, or Engineering 3

\*\*Must take Math 8 no later than Fall quarter Junior year.

\*\*\*Pre-majors may concurrently enroll in Math 6A or 6B and Math 108A or Math 6B and Math 108B if they have a 2.5 GPA in pre-major courses and completed preparation courses.

**Note:** the following courses will not apply to the major: Math 100AB, 193, 195AB; PSTAT 133ABC and 193
