

MATH 5A      Final Instructions      W2012

March 21 Instructor: X. Dai

- Put your name and perm number on both the blue book and the test sheet.
- You may have one 3" × 5" note card. Books, notes are NOT allowed. No calculators and cellphones are allowed in the classroom.
- READ the problems carefully. Put final answers in the boxes on the test sheet. Put high quality work in the blue book for all answers.
- At the end of exam STAPLE test sheet to the INSIDE front blue cover of the blue book, so that the front side of the test sheet faces the white writing pages of the blue book; please staple ONLY the upper left corner (one bonus point for doing this the correct way).
- Turn in your test according to your last name (A–G, H–M, N–Z); have your photo ID ready.
