

Tenured Faculty Position – Department of Mathematics - Algebra

To apply please visit <https://recruit.ap.ucsb.edu/apply/JPF01638>

The Department of Mathematics at the University of California, Santa Barbara invites applications for a tenured faculty position at the level of Associate or Full Professor, with an anticipated start date of July 1, 2020. The Department is looking for individuals with particular emphasis in the area of Algebra, broadly construed.

UC Santa Barbara offers a unique environment where innovative, interdisciplinary, and foundational research is conducted in a collegial atmosphere. We are looking for candidates who have demonstrated exceptional promise through novel research, and with strong potential to interact with all colleagues most notably those in the area of Algebra.

Responsibilities of faculty members generally include the development of an actively funded research program of the highest quality, teaching at undergraduate and/or graduate levels, recruitment, supervision, and mentorship of graduate students, and participation in university service and professional activities. Applicants must have a PhD (or equivalent) in Mathematics or a related field. A demonstrated record of excellence in research, and a record of (or potential for) excellent teaching are desired. Successful candidates will have a record of collaborative research, and will be able to leverage synergies within the Mathematics Department and Division. The University is especially interested in candidates who can contribute to the diversity and excellence of the academic community through research, teaching and service as appropriate to the position.

Applications should be submitted electronically, and must include:

- American Mathematical Society cover sheet available online at: <http://www.ams.org>
- Curriculum vitae
- Statement of research
- Statement of teaching philosophy
- Applicants will need to arrange for four (4) references to submit letters of recommendation on their behalf via the recruitment website (at least one of which is directed towards teaching).

Diversity, equity, and inclusion are core values at UC Santa Barbara. Our excellence can only be fully realized by faculty, staff, and students who share our commitment to these values. The department strongly encourages all applicants to submit an optional Statement of Contributions to Diversity, addressing past and/or potential contributions to diversity through research, teaching, and service. This statement, if submitted, will be reviewed for evidence of, or potential for, teaching, research, professional and/or public service contributions that promote diversity and equal opportunity, such as effective strategies used for the educational advancement of students in various under-represented groups; demonstrated contributions to the advancement of equitable access and diversity in education; and contributions furthering diversity and equal opportunity in higher education

through participation in such activities as recruitment, retention, and mentoring of scholars and students.

Applications received by November 15, 2019 will be given priority consideration, but the position will remain open until filled. To apply please visit <https://recruit.ap.ucsb.edu/apply/JPF01638>

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.
